

Scouting Our World, MAD Cub Scout Day Camp, CNJC
Mercer County Park 2 July 12-16, 2010 - REVISED

Dear Parents,

We hope your son had an amazing time at camp this week despite the rain and bad weather. While participating in all of our activities, he completed a lot of achievements for his rank in September. Give this letter to his Den Leader at your pack and he will receive the recognition for all his accomplishments. There are some that were only partially completed at camp and will need to be completed at home in order to meet all the requirements. Have a great rest of the summer and we look forward to seeing him again next summer
